60 Main Street, Nashua NH 03060 ~ 603-579-0500

We are located at in the Telegraph Building on the outskirts of downtown Nashua NH, right across the Nashua River from Peddlers Daughter (on the same side of the street). The following are directions from the North, South and from the Derry/Salem area:

Directions from North of Nashua, NH

1. Follow Route 3 South
2. Take Exit 7, Downtown exit (the second Exit)
3. You will merge onto 101A; continue past the intersection of 101A and 130.
4. Follow 101A around 1 mile - some milestones & notes: · You'll shortly see Amherst St. School on your left followed immediately by a little league field and then Holman Stadium (also on your left). A little further you'll see the Amherst St. Fire Station - you are now about 1/10 of a mile from the intersection of Amherst St. and Main St. You will be taking a right at the upcoming intersection so you may want to move into the right hand lane.
5. Take a right onto Main St. Follow Main St. through one set of lights, go over a set of Railroad tracks and, as soon as you cross the bridge, on your left you will see the 60 Main St. building, also called the Telegraph Building (you'll see the Framery and the Nashua Telegraph office in front).
6. Take a left on Pearson Ave so that 60 Main St is now on your left. Follow the chain link fence to the end and then take a left into the building's parking lot.

Directions from South of Nashua, NH

1. Follow Route 3 North into New Hampshire
2. Take Exit 6 (Route 130)
3. Take a right off the exit (towards Nashua downtown); follow 130 to the end - it's around 1 mile.
4. At the intersection of Routes 101A and 130 (there will be a light and a cemetery right in front of you), take a right onto 101A (Amherst St.).
5. Follow 101A around 1 mile - some milestones & notes: You'll shortly see Amherst St. School on your left followed immediately by a little league field and then Holman Stadium (also on your left). A little further you'll see the Amherst St. Fire Station - you are now about 1/10 of a mile from the intersection of Amherst St. and Main St. You will be taking a right at the upcoming intersection so you may want to move into the right hand lane.
